Dr. Saurabh Srivastava –
Joint Secretary, ISAR

SCIENTIFIC COMMITTEE

Dr. Rajeshwari Gore
Dr. Nidhi Maheshwari
Mr. Prashant Sharma

WELCOME MESSAGE

Dear colleagues and friends,

Greetings from the organizing committee of **ISAR-DCCON-21**.

It gives us immense pleasure in inviting all of you to the 6th Annual Conference of Indian Society for Atherosclerosis Research, Delhi Chapter, scheduled on 1st October, 2021. In the prevailing uncertain and unpredictable COVID-19 situation, the meeting platform had to be shifted from physical to virtual, but the focussed zeal for an excellent academic event remains steadfast.

The theme of the event is "Atherosclerosis: Current Challenges". The problem of atherosclerosis has grown even more significant with every passing decade of modernisation, including its strong implications in cardiovascular manifestations of COVID-19. The organising committee has invited reputed international speakers along with eminent national resource persons to share their knowledge and reflections on one of the most important and primal health challenges. Oral paper presentation sessions with young scientist awards for the best papers in basic and clinical segments, will also be held.

Once again, it is a great honour and privilege to invite all of you for the academic feast.

Please block your date as we look forward to maximum participation from your prestigious institute/ hospital for the ISAR-DCCON-21.

Warm regards,

Ashok K Dubey

Organising Secretary
ISAR-DCCON-21

Professor & Head
Dept. of Pharmacology
SMS&R, Sharda University
